---

Also known as Venetian Plaster, it is composed of finely crushed marble, aged lime & natural pigments, to give you a wall finish that is closest to nature. Vasari products are crafted for interior and semi-exterior use with unmatched beauty, versatility and ease of use. Available in different textures, sheen & colour, Vasari wall finishes can be compared to finely polished marble, soft satin, or traditional rustic stucco. Vasari wall plaster is not a faux finish. With our products made from the finest raw materials with the highest environmental standards.

# L I M E P A I N T

A mineral paint made with natural limestone sprinkled with marble dust.  
It's environmentally friendly, healthy, & it's qualities will improve with time.  
Lime paint lends depth & luminosity to flat walls, creating subtle nuances, textures & movement,  
other wise unfound in regular paints.  
It's thicker mineral consistency, allows it to be back-troweled  
to create a light to moderate texture if desired.  
It can also be applied by using sponge or brush.

---

Sponge application in circular/horizontal/vertical strokes.  
Bristle Brush application in brush strokes.

To burnish when half dry state.  
To leave it to dry for 3-5 hours.
